

Join Steve Masterman for a workshop on **Grafting Apple Trees**

BEGINNER

**April 20
Wednesday
6–8 p.m.**

• • •

BEGINNER

**April 23
Saturday
10 a.m.–noon**

• • •

INTERMEDIATE

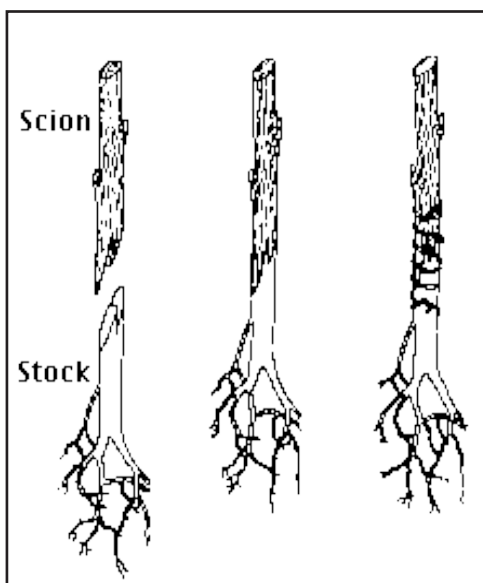

*For those with previous
grafting experience.*

**April 24
Sunday
1–3 p.m.**

Ripe for the picking!

Come learn the basics of grafting apple trees from local experts, and find out which root stocks work best for **YOUR** location. Participants will graft four apple trees to take home. **Please bring leather work gloves, a sharp knife with a straight, thin blade and a cutting board to class.** Trees are provided ... and hopefully apples in the future!

RSVP: Class size is limited to 30 students each, and **PREREGISTRATION IS REQUIRED.**

Register online at bit.ly/applegraft2016

Cost: Materials fee is \$30 in the beginner class and \$5 per tree in the intermediate class. **PAY AT CLASS** with cash or check (payable to Steve Masterman).

Location: School of Natural Resources & Extension greenhouse in the Arctic Health Research Building on the UAF Campus at 901 S. Koyukuk Drive.
